**PROJECT TITLE:** Yeh College and New College West  
**SQUARE FOOTAGE:** 485,000 SF

## PROJECT STATEMENT:

As the institution looks to grow its student body, the new residential colleges are the seventh and eighth colleges on campus. The goal was to create a welcoming and inclusive college experience, an environment that is engaging and inviting, and a place that supports authentic and enduring communities. The colleges are designed to be approachable and inclusive: easy to navigate, easy to find your place, easy to make your own. Altogether, the new colleges enrich the daily lives of undergraduates across all four years of college with spaces for socializing, dining, making, living, and learning.

FF+E budget was \$8M.
